POPIS NEMOVITOSTI: Apartment No. 1027: Airy 2+kk with South-West Orientation

Construction has begun – 40 % of apartments sold in just 6 months!

Don't miss out on your chance to choose the perfect layout and orientation in the attractive Dueta Kamýk project, where modern living meets nature.

Apartment No. 1027 is a well-designed 2+kk (1-bedroom) unit with a total floor area of 48.6 sqm. Located on the 2nd floor and facing South-West, the apartment is flooded with natural light and offers a particularly pleasant atmosphere during the golden hour.

Layout & Features

The interior consists of a spacious living room with a kitchenette (22.10 sqm), a cozy bedroom, a bathroom with a toilet, and an entrance hall. The living area of 45.70 sqm is complemented by a 5.2 sqm loggia, perfect for evening relaxation.

- South-West orientation for maximum natural light.
- Private loggia to enjoy the sunset.
- Compact & efficient layout with smart use of space.
- Energy Class A – exceptionally energy-efficient for low running costs.

Ideal for: Couples or individuals looking for a modern home with a warm atmosphere and functional design.

About the Dueta Kamýk Project

Dueta Kamýk offers a unique combination of peaceful living surrounded by nature and excellent accessibility to Prague's city center, further enhanced by the planned Metro D line. The location provides immediate access to forest parks and extensive greenery, alongside attractive views that every nature lover will appreciate.

The apartments feature premium technologies and materials, including:

- Heat recovery ventilation (recuperation)
- Underfloor heating
- External window blinds
- Energy Performance Certificate (PENB) – level A

Whether you are looking for a new home or a smart investment in a rapidly developing district, Dueta Kamýk is the perfect choice.
