POPIS NEMOVITOSTI: Apartment No. 1113: Spacious 2-Bedroom (3+kk) with Loggia and Two Toilets

Construction has begun - 40% of apartments sold in just 6 months! Don't miss out on your chance to choose the perfect layout and orientation in the attractive Dueta Kamýk project, where modern living meets nature.

Apartment No. 1113 is a generously sized 3+kk (2-bedroom) unit with a total floor area of 73.40 sqm. Located on the 11th floor, this apartment offers a peaceful Northern orientation and elevated views that ensure a quiet and private living environment.

The heart of the home is an expansive living room with a kitchenette (29 sqm), complemented by two separate bedrooms for maximum privacy. The layout includes a hallway, a main bathroom equipped with a bathtub and toilet, and an additional separate guest toilet. The living area of 68.30 sqm is enhanced by a spacious loggia with dual-aspect views, offering a unique perspective on the surroundings.

- Well-designed 3+kk layout with separate bedrooms.
- Two toilets – essential comfort for families or guests.
- Dual-aspect loggia for outdoor seating and panoramic relaxation.
- Energy Class A – exceptionally energy-efficient for low running costs.

Ideal for: Families with children or couples seeking spacious, functional living with an emphasis on comfort and high-floor views.

About the Dueta Kamýk Project

Dueta Kamýk offers a unique combination of peaceful living surrounded by nature and excellent accessibility to Prague's city center, thanks to the planned Metro D line. The location provides immediate access to forest parks and extensive greenery, alongside attractive views that every nature lover will appreciate.

The apartments are equipped with premium technologies for a healthy and economical lifestyle:

- Heat recovery ventilation (recuperation)
- Underfloor heating
- External window blinds

Dueta Kamýk is the perfect solution for both premium family housing and a smart investment in a rapidly developing location.
